Resumed for orders as to whether the allowance is to be granted for July.

A representation has been recd from the officials requesting that the allowance may be paid on a scale similar to that paid in C.&M. station, retrospective effect being given to the enhanced rate from Jan. 1919. The rates now given in the C.&M. station is the same as is given in Madras. The comptr has already stated that the extra cost is Rs. 32,000; taking

the g.c.a. figures of Rs. as his basis. But the situation has now grown darker and the whole state is getting g.c.a. The extra cost involved should therefore be much less than Rs. 32,000 p.m.

Orders are solicited on the following points:—

A. Continuance of the allowance at present rate for July 1919 —

B 1.) Whether war allce. is to be granted at enhanced rates; as in the constitution, and if so.

2.) The period for which it is to be granted; and

3.) whether retrospective effect is to be given from Jan. 1919.

Sd. 18/7.

It would facilitate disposal if the two questions, i.e. (A). Continuance of the allowance at present rate for the month of July 19 ~~[illegible]~~ & (B) Enhancement of the said allowance be considered separately.

Orders may issue regarding A; now that for A at higher rate is found admissible and has been sanctd. for July, and it is understood that there has been no

(2) The prayer for converting grain compensation and war allowances into a consolidated local allowance, as has been done in the C and M station, may be separately considered. The two allces we are now giving will in many cases be about the same as the proposed local allowance and there may be no need for changing the arrangement so far followed; in any case, with retrospective effect —
